c. Number of buildings, in which entity partially provides persons with special needs a possibility of evacuation or rescue of persons inside the building: 1

d. Number of buildings, in which entity does not provide persons with special needs a possibility of evacuation or rescue of persons inside the building: 0

Comments and remarks regarding architectural accessibility:

Office is located in two buildings.

Building 1: Entrance is equipped with a ramp for wheelchairs. Building has a passenger elevator suited for disabled persons (audio announcements, Braille buttons). There are no architectural barriers in the building passageways, an adequate width of corridors and entrances to rooms is provided. Building has restrooms suited for persons with special needs. Office does not have its own parking spaces. There's a municipal parking lot located near the building with designated spaces for persons with disabilities.

Building 2: Entrance to building is via stairs. At the entrance, there's a call button to summon staff of the building. It does not have an elevator. Passageways are not obstructed with architectural barriers, adequate width of corridors and entrances to rooms is provided. Building has a restroom partially adjusted for the persons with special needs. Office does not have its own parking spaces, however across the street are parking spots. There are designated spaces for persons with disabilities not far from the entrance.

Part 2. Digital accessibility

Data in the section relates to compliance with the Act of 4 April 2019 on Digital Accessibility of Websites and Mobile Applications of Public Entities (Journal of Laws 2023, item 1440), referred to as UdC, in conjunction with Article 2 and Article 6, point 2 of the Act of 19 July 2019 on Ensuring Accessibility for Persons with Special Needs (UzD)

Number of supervised websites: 3

Number of shared mobile applications: 0

Table of pages accordance with requirements of UdC

Address of website: Accordance with UdC

<https://opole.stat.gov.pl/> Compliant (no) Partially-compliant (yes) Non-compliant (no)

<https://opolskiesieliczy.stat.gov.pl/> Compliant (no) Partially-complaint (yes) Non-complaint (no)

<https://bip.stat.gov.pl/urzed-statystyczny-w-opolu> Compliant (no) Częściowo zgodna (yes) Niezgodna (no)

Table of application's accordance with UdC requirements

Name of the mobile application and address to download it

Accordance with UdC Compliant (no) Partially-compliant (no) Non-compliant (no)

Comments and remarks on digital accessibility:

Reports issued by the Office are available in electronic form. Majority of archival collections have been digitised and made electronically available. Access to databases is provided to facilitate independent preparation of analyses (ability to create pivot tables, charts, cartograms and cartodiagrams). The website allows adjusting contrast and enlarging font. Publications and statistical reports are released in Polish language with a translation of selected elements in English. News releases are prepared in two language versions: Polish and English, all of them have alternative text and are prepared in high contrast.
